Gentleman,

Something is **drastically** wrong with your new proposed settlement. Under the terms of your AWP Track 2 Settlement received about May 10, 2011, I would have received about \$12,000 for drug overcharges. Now under your new proposed Revision dated May 26, 2011, which lists entirely **different** drugs I will receive \$0.00 (nothing).

What is going on?

Please respond. Thank you.

Sincerely,

Ronald Byersmith
